DESCRIPTION

Apartments 39B and 39C in the iconic Intempo building offer a unique experience thanks to abundant natural light, breathtaking views, and generous space. These apartments are distinguished by their unparalleled brightness and unmatched panoramas. The design prioritizes the enjoyment of its exceptional features. Nearly every room has access to the terrace, where one can enjoy the light, serenity, and incomparable views that make this experience truly unique. Inside, you'll find the finest quality specifications along with top-tier appliances. Spacious layouts with an open-plan design and integrated smart home technology ensure a luxurious living experience. The apartments feature a spacious bedroom, dressing room, bathroom with radiant floor heating, kitchen, and dining area equipped with the latest standards and top-quality materials. The large floor-to-ceiling windows merge the interior with the surrounding landscape, providing natural light throughout the space and terrace access from every room. Located in the majestic Intempo building, the tallest residential skyscraper in Spain and one of the tallest in the European Union, it is distinguished by its exclusivity. The golden facade and impressive diamond at the top enhance its splendor, harmonizing with the beauty of Benidorm. Apartments 39B and 39C are offered for a price of 995,000 euros, featuring 3 bedrooms, 3 bathrooms, and an area of 179.13 square meters, along with two parking spaces and a storage room. On floors 46 and 47, there is a spacious communal area designed for relaxation and exercise, with a gym equipped with state-of-the-art Technogym technology, a luxurious spa, massage rooms, and a sauna, all with panoramic views of the Mediterranean Sea and Poniente Beach. At the top of Intempo, on the 47th floor, there are 4 Jacuzzis and an exclusive bar with a magnificent terrace for the enjoyment of all residents. This place offers the unique opportunity to enjoy a drink while contemplating the most spectacular sunset in Europe. Intempo apartments offer a wide range of exclusive services to ensure an unparalleled living experience, including swimming pools for cooling off, a gym with state-of-the-art technology, luxury spa, sea-view Jacuzzis, and more. Additionally, optional services such as apartment cleaning and preparation, room service, rental management, maintenance and repairs, airport transfers, and leisure activities in common areas are available.
